<p>Insurance</p>	<p><u>Travel insurance</u> Before the students leave their country, they must make sure that they have taken out travel insurance with repatriation in case of serious health problems, accident etc.</p> <p>N.B. Students who must apply for visas are often asked to take out repatriation and other insurances by the French Embassy.</p> <p><u>Health insurance</u> It is compulsory that <u>all</u> students between the ages of 16 and 28 studying in France have health insurance. All students who are under 28 years of age on 1 October 2009 <u>must</u> subscribe to the French Student Health Insurance despite of their length of studies at ESC Rennes School of Business. In 2009/2010 this costs 198€. The only exceptions are European national students who have a valid European Health insurance card (EHIC, http://ec.europa.eu/social/main.jsp?catId=559&langId=en) for the length of their stay in Rennes. Students <u>over 28 years</u> of age please contact Patricia Fourel (patricia.fourel@esc-rennes.fr).</p> <p>Private insurance cannot be accepted under any circumstances. <i>It is illegal for students to attend French universities if they do not have the above mentioned Health Insurance</i></p> <p><u>Accommodation insurance</u> French law stipulates that all persons who rent accommodation must have civil responsibility and third party insurance at their address in Rennes; some property owners include this in their «rental package». If not, the students can buy this with their French bank.</p>
<p>Housing</p>	<p>As most campuses in France, ESC Rennes School of Business does not have halls of residence and therefore all students registered at the school must rent private accommodation. The school and the “WellCome” team can help students, if they wish, find accommodation for the duration of their stay in Rennes</p> <p>Accommodation in Rennes needs planning and reserving in advance as it is a university city with over 60,000 French and international students every year. Rents can vary depending on the landlord, the location and the services and equipment provided. Students are therefore strongly encouraged to reserve their accommodation as soon as possible after having been accepted.</p>
<p>Housing contact</p>	<p>Mail to: accommodation@esc-rennes.fr (open from October to December 2010) Students should make contact as soon as they have received their acceptance letter.</p>

Not only can they collect the students from the station or airport, and help them settle into their home in Rennes, but also they organise parties, tourist trips (Mont St. Michel, Paris, etc..) and sports events with French students. They also organise «mentors/buddies»</p>
<p>Induction week</p>	<p>The Office of International Relations provides an orientation program for all international students the week before classes start. Sessions cover application for residence permit, health insurance, banking, internet provider, mobile phones, bus pass, French culture, academic expectations and standards. Attendance is mandatory.</p>
<p>Internship</p>	<p>Internships are not part of the transfer credit procedure. However, exchange student are welcome to consult the offers available at school.
